

Level 3 Diploma

COUNSELLING SKILLS

This course is designed for people interested in using counselling skills as part of their functional role in a wide range of sector areas, or looking to progress towards accredited counsellor status with one of the counselling professional accrediting bodies. This NCFE qualification provides more in-depth knowledge of the use of counselling skills in everyday life and work, and the approaches that underpin the use of these skills.

COURSE UNITS INCLUDE

- Developing counselling
- Theoretical approaches in the use of counselling skills
- Working ethically with counselling skills
- Counselling skills and diversity
- Counselling skills and personal development

This qualification does not qualify you to practice as a counsellor. However, it can support your progression within employment in a number of roles including:

- Support Worker (supported living)
- Healthcare Support Service Worker
- Clinical Healthcare Support Worker
- Mental Health Support Worker
- Information, Advice and Guidance Worker
- Health Education/Health Promotion Worker
