

Level 2 Certificate

PRINCIPLES OF END-OF-LIFE CARE

This course develops knowledge relating to the role of person-centred care planning at the end of life. This TQUK qualification is designed for those who wish to gain an understanding of end-of-life care.

It can also be used to progress to further qualifications or employment within health and social care, to complement other qualifications in apprenticeship frameworks within health or health and social care, or to develop in their current job role within health and social care.

COURSE UNITS INCLUDE

- Understand how to work in end-of-life care
- Understand how to provide support to manage pain and discomfort
- End-of-life care and dementia
- Understanding the role of the care worker at the time of death
- Understand loss and grief in end-of-life care
- Principles of care planning in end-of-life care
