COURSE OVERVIEW

A BROAD RANGE OF PRACTICAL MANAGEMENT KNOWLEDGE AND SKILLS TO HELP YOU DEVELOP AS A LEADER.

This funded training programme is designed for departmental managers looking for a more senior role within small, medium, large and multinational organisations in private, public and third sectors. Learn how to analyse data, identify trends and make informed decisions for a positive impact on an organisation. Embedded within this programme are modules from the CMI (Chartered Institute of Management).

ROLE PROFILE

An Operations Manager is someone who manages teams and projects, and plans and implements operations and contributes to the organisational strategy, as well as its implementation. They are accountable to a more senior manager or business owner.

TYPICAL JOB ROLES

Operations Manager, Regional Manager, Divisional Manager, Department Manager and Specialist Managers.

FUTURE LEADERS

PROGRESSION ROUTES

On completion, learners may choose to apply for Foundation Chartered Manager status with the Chartered Management Institute to support professional career development and progression.

Operations Manager

LEVEL 5

**FUTURE
LEADERS**

GROW LEADERSHIP AND MANAGEMENT SKILLS WITH THE OPERATIONS MANAGER APPRENTICESHIP

This apprenticeship training programme equips aspiring operations managers with the essential skills, knowledge, and behaviours required to lead teams and drive organisational success. Designed for manager across all industry sectors, this higher level 5 programme delivers a professional pathway for future development with eligibility for Foundation Chartered Manager (fCMgr) or Chartered Manager (CMgr) status.

WHAT YOU WILL LEARN

- Leadership & Operations Management: Begin with a strong foundation in leadership and operations principles.
- People Management: Master team motivation, inclusion and effective communication.
- Data-Driven Decision Making: Learn to analyse data for strategic and operational improvements.
- Project & Change Management: Implement project frameworks, lead organisational change, and foster continuous improvement.
- Financial & Resource Management: Gain control over budgets, resources, and sustainable practices.
- Advanced Leadership & EPA Preparation: Culminate your training with advanced leadership skills and End-Point Assessment preparation.

WHAT OUR LEARNERS SAY

"This programme enabled me to grow individually and lead my team through a period of change. Using the skills and knowledge learnt, I navigated several new projects and saw improved results across the team." – Yasmin, Senior Leader

"I found the online training very flexible and could fit this around my day to day work and family life. The tutor provided excellent materials and was very supportive throughout the programme. I would recommend this programme to others in the senior leadership team." – Sam, SLT
