COURSE OVERVIEW

GAIN PRACTICAL KNOWLEDGE AND SKILLS FROM TEAM LEADING THROUGH TO PROJECT AND RESOURCE MANAGEMENT.

This funded training programme is designed for supervisory or first line managers. It supports team leaders and supervisors to make good decisions, communicate well and plan for the future. It can also help develop empathy, active listening and problem-solving skills. Embedded within this programme are modules from the CMI (Chartered Institute of Management).

ROLE PROFILE

Team leaders or supervisors can motivate and manage a team to perform to the best of their ability. Line management can be hugely rewarding and the experience can help to progress your career. Team leaders or supervisors are key to organisational success and work across all industries.

TYPICAL JOB ROLES

Supervisor, Team Leader, Project Officer, Shift Supervisor, Foreperson and Shift Manager.

PROGRESSION ROUTES

On completion, learners may choose to apply for Foundation Chartered Manager status with the Chartered Management Institute to support professional career development and progression.

Team Leader or Supervisor

LEVEL 3

**FUTURE
LEADERS**

UNLOCK YOUR LEADERSHIP POTENTIAL WITH THE TEAM LEADER APPRENTICESHIP

This apprenticeship training programme provides the perfect opportunity to gain the skills, knowledge, and behaviours required to manage teams, lead projects, and drive organisational success. Designed for emerging leaders in a variety of sectors, this level 3 apprenticeship will empower you with the tools to become an effective first-line manager, ready to make a real impact.

WHAT YOU WILL LEARN

- **Leadership & Management:** Learn how to set clear goals, manage team performance, and foster a positive work environment.
- **Project & Resource Management:** Gain practical skills in leading projects and optimising resources to meet organisational targets.
- **Data-Driven Decision Making:** Develop your ability to analyse data and make informed decisions that drive organisational success.
- **Financial Acumen:** Learn to manage budgets and ensure tasks are completed within set financial targets.
- **Stakeholder Management:** Build relationships with internal and external stakeholders to improve processes and achieve organisational objectives.
- **Change Management:** Prepare yourself to lead teams through change and continuously improve organisational processes.

WHAT OUR LEARNERS SAY

"This apprenticeship gave me the confidence and skills to manage my team more effectively. The hands-on approach allowed me to apply what I learned immediately in my job." – Sarah, Retail Supervisor

"I loved how practical and relevant the training was. The mentorship provided great insights into real leadership challenges." – Michael, Project Lead
